

What is Class Dojo?

Class Dojo is an online tool which can be used to celebrate behaviour for learning and to share learning with parents. The way we will be using it this year is outlined below.

Nursery and Reception

Nursery and Reception are using the “Story” part of Class Dojo. Teachers will upload photographs and teacher comments to show learning and progress over the year.

Year 1 to Year 6

You will know when your child has received an award/well done at school because they will have received a Dojo point on their Dojo account (in Year 1 and 2 they may also have been given a sticker and a token to put in their year group tube). From Year 1 to Year 6, for the time being, we will not be sharing photos or comments via the system. Parents can make a comment about the reward if they wish but please don't use the comments section for important messages. The best ways to communicate with class teachers are:

- Speak to them directly
- Phone the office
- Write a message in the planner

You will be given details on how to join Class Dojo and how to login. Once you have done this you will begin to receive alerts when points have been awarded and you will be able to access your child's account.

REMEMBER: Only Nursery and Reception classes will be sharing photos and comments at this time.
