Dear Parents,

Class Dojo Parent User Agreement

Below you will find guidelines for accessing and using Class Dojo for your child. We ask that parents sign and return this agreement before they are given access to their child's page.

- I agree to my child having a Class Dojo page.
- I give permission for images of my child to occasionally appear in photographs or videos on another child's page.
- I agree to keep the login details secure.
- I agree not to share any content from my child's pages electronically.

The school reserves the right to suspend access to Class Dojo in the event that a parent is found to be sharing content on social media, or by any other means.

- I understand that these are the measures that the school has put in place to safeguard our children.
