

School Goals 2017/18

Leadership and Management

To ensure that the expectations for teaching and learning, school systems and behaviour management are consistently maintained

Teaching, Learning and Assessment

To ensure that teachers promote even more opportunities for pupils to extend their learning and develop creativity and innovation

Outcomes for Children

To ensure that formative and summative assessments inform high quality teaching, characterised by clear differentiation, intervention and challenge

Personal Development, Behaviour and Welfare

To ensure that children are fully active citizens within the school community
